KinderPlay Fall 2025

Our Kinder-Play Program for children aged 18 months to 3+ years, offers your child the opportunity to socialize with other children their age, and gain self-confidence and independence.

Any of our 2-hour classes, allows children to develop skills in focused program areas and begin to access their unlimited learning potential.

For Students 18 months to 3 years of age, our KinderPlay classes are recommended.

Our primary areas of focus:

- Foundations in literacy, numeracy, fine motor work and science & sensory exploration
- Social skills (group entry, conflict resolution, large and small group activities)
- Self Help skills (independent eating, dressing, and **toileting**)
- Building confidence and Independence (healthy separation from parents)
- Self-Regulation (Attention and Focus, Emotional and Physical regulation)
- Gross Motor development (navigating the playground equipment)

The **FALL 2025** Semester runs for **14 weeks – Monday, September 15 – Friday, December 19, 2025**

Daily sessions are offered from 10 am to 12pm. Children may attend up to 4 classes per week.
