KinderPlay Spring 2024

Our Kinder-Play Program for children aged 18 months to 3+ years, offers your child the opportunity to socialize with other children their age, and gain self-confidence and independence.

Any of our 2 hour classes, allows children to develop skills in focused program areas and begin to access their unlimited learning potential.

For Students 18 months to 3 years of age, our KinderPlay classes are recommended.

Our main areas of focus:

- Foundations in literacy, numeracy, fine motor work and science & sensory exploration
- Self-Regulation (Attention and Focus, Emotional and Physical regulation)
- Gross Motor development (navigating the playground equipment)
- Social skills (group entry, conflict resolution, large and small group activities)
- Self Help skills (independent eating, dressing and toileting)
- Building confidence and Independence (healthy separation from parents)

The **Spring 2024** Semester runs for **14 weeks – Monday, March 18 – Friday, June 21, 2024**

Daily sessions are offered from 10 am to 12pm.

Children may attend up to 5 classes per week.
